

What's Wrong with Santa?

This isn't Santa — it's mechanical!

Then where — what's that noise?

It — it's an invasion of Swivel-Hip Santas!!

What did you do with the real Santa??

Gosh, it's December
already. Maybe I should go
back to the North Pole
and make some toys!

You too can take the year off! For just \$35
you can send in your singing, swivel-hip surro-
gate. (It *might* be an improvement!)
